

Community Sponsorship Guidelines

Objective

At Focus FCU, we are passionate about helping our community grow. One of the foundations of a growing community is to have financial stability, which is why we offer free financial education to our local community.

Where: We serve 7 counties in the Oklahoma City metro area and surrounding counties; Oklahoma, Cleveland, Canadian, Lincoln, Logan, McClain, and Grady Counties. These are the areas we serve in Oklahoma.

Awareness: What will your organization be doing to bring visibility to your event, sponsors, project, etc.?

Values Driven: We value community partnerships that help build the foundations for a thriving community.

Amount and type: We can invest in these ways: in-kind, volunteer hours, and cash for your event.

Metrics: How many people will this even likely reach? What other sponsors are participating?
